¶3. Post has reviewed available human rights files; the above individuals has not been determined to be identifiable with individuals involved in or accused of human rights abuses.

¶4. Post realizes that, due to delays in the Government of El Salvador's provision of names and information regarding prospective trainees, this request does not meet the 10-day timeframe usually required for completion of the vetting process. We would nonetheless appreciate all efforts by the relevant bureaus to facilitate these candidates' participation, if possible.
